February 2022

Introduction

Almasi is the Swahili word for diamond, synonymous with immense beauty.

Almasi Art Agency was founded in 2019 with the aim of sourcing, promoting and selling of fine art pieces, with emphasis placed on the growth of each artist represented and client satisfaction.

Currently working with 50 artists from 11 different nationalities, the agency boasts a multi-talented pool of painters, sculptors, photographers, mixed media practitioners among others.

Most of these artists have worked on fine African art and subjects, with a good number having exhibited abroad and a few younger ones rising in prominence.

This bespoke catalogue offers a snippet of some of the creative talent Almasi Art Agency works with and offers you the opportunity to connect with us so we can cater to your fine art needs.
